## WELCOME TO DR. ANDRADE'S PRACTICE

We thank you for choosing our medical practice. Our goal, at the Allergy, Asthma, Arthritis Center, is to provide you with excellent medical care.

Enclosed you will find the following:

- Registration Form
- Financial Policy Form
- Practice Brochure
- Appointment card

Please complete the **Registration Form** and read and sign the **Financial Policy Form**, prior to your scheduled appointment since this will save us both some time.

In our **Practice Brochure** you will find information related to Dr. Andrade's credentials and our practice policies. We suggest that you become familiar with it and encourage you to ask us any questions you may have regarding this information. You will also find a map to our **two locations** at the back of our brochure. Please review the directions to the location you chose for appointment and let us know if you need further assistance.

We kindly ask you **NOT to wear any perfume and/or fragrances** (only deodorant) as a courtesy to other allergic and asthmatic patients.

To speed up your check-in time, we would like you to **bring a list of all your medications** and the **name and address of your Primary Care Physician** (PCP). It will also be greatly appreciated if you review your insurance policy and notify us in advance should you need a referral.

Sincerely,  
Dr. Andrade and Staff
